Dear Community Business Leader:

Seven Coves Bass Club will hold its **11th Annual Fall Bass Classic**, October 13, 2018. This charity event will benefit the Kids Unlimited Foundation. We work hard on the annual event held on Lake Conroe, and have raised nearly \$50,000 at our events for local charities thanks to generous supporters like you.

Kids Unlimited (kidsunlimited.org) was founded as a 501(c)(3) non-profit organization formed to benefit children stricken with cancer. This organization was founded with the hope to provide children a reprieve from cancer and an opportunity to be free of the harsh treatment regiment. Through these efforts, Kids Unlimited joins over 250 families together for consistent family-oriented activities. 100% of the Fall Bass Classic proceeds will assist Kids Unlimited to raise funds for these activities.

This event is comprised of an open bass fishing tournament and a concurrent raffle/auction, which is open to the public. We have the fishing tournament covered, we cannot be successful without your help. We would appreciate a kind donation of product, gift cards, services, or cash (check payable to SCBC or to Kids Unlimited). All proceeds from the auction and raffle will go to Kids Unlimited (SCBC does not retain any profit), as well \$25 of each fishing tournament entry fee. The remainder of the entry fee is for the angler prize payout.

Donations of cash, goods, and or services valued at \$250.00 or more will earn your business the distinction of "Title Sponsor." This generous tax deductible donation will be publicly acknowledged during promotional announcements in public flyers, on social media, on our website, and on event banners. We encourage you to visit the event at Stow-A-Way Marina on Lake Conroe, October 13th, where you will see your good will in action and can meet the Kids Unlimited Volunteers.

To learn more about our group or our event, please visit our website at SevenCovesBassClub.com/Classic. You may also contact me at 713-458-8280 or SCBC President Ned Westmoreland at 832-642-7538 for more information.

Regards,

Derek Taylor, Tournament Coordinator
