

6th Annual Fall Bass Classic A Success!

The 6th Annual Seven Coves Bass Club Fall Bass Classic benefitting Montgomery County Youth Services – Shelter Services was a great success! We had 59 anglers that braved the post cold front winds and cool temperatures Saturday morning. Ms. Jordan Knight sang the National Anthem just before take-off and again before the weigh-in for the crowd and anglers.

The MCYS kids were on hand and assisted with getting the fish back to the water and with the raffle. We also provided them with goodie bags and raffle tickets. After the awards presentation, the kids asked the anglers to autograph their t-shirts. In the end we had \$5,900 in angler paybacks, and raised a record amount of over **\$9,000** for Montgomery County Youth Services-Shelter Services.
