FOR IMMEDIATE RELEASE - July 21, 2020

Media Contact Derek Taylor, dtaylor@sevencovesbassclub.com

The Seven Coves Bass Club is pleased to announce the **13th Annual SCBC Fall Bass Classic** will again be held October 10th, 2020, on Lake Conroe, The event site will be Stow-A-Way Marina. Last Year with community support we were able to raise a record \$14,500!

This year our Classic will again benefit the Kids Unlimited Foundation. KU is a non-profit organization formed to benefit children stricken with cancer. This organization was founded with the hope to provide children a reprise from cancer and an opportunity to be free of the harsh treatment regiment. Through these efforts, Kids Unlimited joins over 250 families together for consistent family-oriented activities. 100% of the Fall Bass Classic proceeds will assist Kids Unlimited to raise funds for these activities.

Kids Unlimited focuses on providing family-oriented activities that allow these children to experience a fun outing in an atmosphere of friends where their illness can be forgotten, at least for a while. These events are designed to include the whole family; the patient, siblings and parents. This allows the brothers and sisters to have a family experience beyond the shadow of cancer and gives the parents a much needed respite, as each member is affected by this illness. Visit kidsunlimited.org for more information about this great foundation.

There are many opportunities to give back, and we hope we can receive your help again in 2020 year by fishing the event and/or making a donation. We understand these are difficult times, and KU is depending on us as their proceeds are much less due the COVID pandemic. However, childhood cancer still continues to occur and the kids still have needs as cancer does not wait on other diseases.

If you, or someone you know are interested in sponsoring the event, making a donation, or for additional information, please contact us via our official event website, www.SevenCovesBassClub.com/Classic.
